to me

Dear valued customer:

Subject: Changes to Accounting Authority services for terminals com (AAICs): AA07, CA03, GB14, NL01 and US09.

You have nominated Inmarsat Solutions to be the designated Accounti Previously, when those terminals roamed onto third-party land earth s behalf and add a 15% administration fee to the third-party LES charges

Starting this month, we will be eliminating this administration fee and \$250 per year for each satellite terminal registered with one of our AA fee will appear on next month's invoice. Monthly charges from any th charged by the LES without further fees from Inmarsat.

No changes are required by you other than to review the terminals th always, we recommend that you switch your satellite access code to o usually at significantly lower airtime rates than via third-party LES.

If you wish to decommission an unused Inmarsat terminal to avoid thi
