

EMERGENCY RELIEF FOR THE REMOTE ISLANDS OF VANUATU

On Thursday, March 14th, 2015, a Force 5 cyclone named Pam, tore through the island nations of Vanuatu, Tuvalu and Kiribati, leaving death and destruction in its path. As we did last year for Tonga, Sea Mercy will be sending our vessels to assist in what is being described by Oxfam's Vanuatu director as...

“One of the worst disasters ever seen in the Pacific, the scale of humanitarian need will be enormous... entire communities have been blown away.”
