Focus Your Binoculars and Cameras on Seabirds!
... and make your ocean sightings a part of something larger

SeaBC

Sea
Bird
Count

Organized by a volunteer group of cruising sailors from around the world interested in birdlife at sea.

Go to www.facebook.com/groups/BirdingAboard/
for information about the project and
to share your birding-aboard
sightings and questions.

eBird

Data goes to eBird (www.ebird.org), where it
becomes a resource for scientists and conservation
groups worldwide.

Horned Puffins Artwork © Sophie Webb www.sophiewebb.com

SeaBC Poster

A4 International (210 x 297 mm)

Can be printed on US Letter (8.5 x 11 inches)
