Join us for a summer cruise of New England – starting in the East Coast’s yachting center, Newport and heading first to New York City via Fisher’s Island and then an overnight passage from New York to Nantucket, or by way of a stop in Block Island for those preferring to split the offshore leg. Rounding out the two week cruise will be the return to Newport via a get-together in Cuttyhunk.

The cruise is open to all members of the SSCA, CA and OCC – or anyone with an interest and capable boat! For those of you with time constraints – or differing desires, please join for just part of the cruise – as you like.

The OCC is allowing cruise participants to join the OCC’s East Coast SSB net daily at 7:30am on 4045-USB

Please contact Bill Balme – [billbalme@checon.com](mailto:billbalme@checon.com) or (508) 801-0234 if you are interested in joining the cruise.
